Privacy Policy – Contact Form Submissions

Ventex Corporation (“we”, “us”, or “our”) respects your privacy and is committed to protecting your personal information. This policy explains how we collect, use, and safeguard personal data submitted through our website contact form.

Information We Collect

When you submit a contact form on our website, we may collect:

- Your name
- Email address
- Phone number
- Company name and address
- Any information you voluntarily include in your message

We only collect information that you choose to provide.

How We Use Your Information

We use the information collected to:

- Respond to your inquiry or request
- Communicate with you regarding our products or services related to your message

We do **not** sell your personal information.

Legal Bases for Processing

Depending on your location, we process your personal data based on:

- **Your consent**, provided when you submit the contact form
- **Our legitimate business interest** in responding to customer inquiries

Data Sharing

Your information may be shared with trusted service providers (such as website hosting or email services) strictly for the purposes described above and subject to appropriate confidentiality and security obligations.

Data Retention

We retain contact form submissions only for as long as necessary to respond to your inquiry or for related follow-up purposes, after which the data is securely deleted or anonymized.

Your Rights

Depending on your location, you may have the right to:

- Request access to the personal information we hold about you
- Request correction or deletion of your data
- Withdraw your consent at any time
- Opt out of certain data processing activities

California residents have additional rights under the **California Consumer Privacy Act (CCPA/CPRA)**, including the right to know what personal information is collected and the right to request its deletion.

To exercise any of these rights, please contact us using the details below.

Data Security

We implement reasonable administrative, technical, and organizational measures to protect your personal information against unauthorized access, loss, misuse, or disclosure.

International Data Transfers

As we operate globally, your information may be processed outside your country of residence. Where required, we use appropriate safeguards to protect your personal data in accordance with applicable laws.
